

Panhandle Public Library Cooperative System
Web Site: Privacy Notice

Personal Information

Individuals may choose to submit their names, e-mail addresses, postal addresses or telephone numbers in order to receive library services, such as registering for library cards, ordering materials, receiving personal responses to questions or being added to specific mailing lists. The Library does not sell, rent or otherwise distribute information to outside companies or organizations unless legally required to do so. For example, library records may be subject to disclosure to law enforcement officials under provisions of the Uniting and Strengthening America by Providing Appropriate Tools Required to Intercept and Obstruct Terrorism Act (USA PATRIOT Act) and librarians may, under some circumstances, be forbidden from disclosing that certain records have been requested or obtained.

Members of the public may be mentioned by name on the Web site. For example, in public meeting agendas and minutes, library event descriptions or photos, as bidders on public projects, or as contributors to Web page content. If identified at all, children are mentioned by first name or name of school/group only.

Cookies

Cookies are small text files placed on user computers by a Web site to enable customization of individual visits. Some library electronic services, such as the Library Catalog and remote databases, place temporary cookies for current sessions. These cookies do not capture personal information or compromise visitor privacy and are deleted when sessions are ended. Visitors can refuse the cookie by using instructions provided in browsers, which may result in an inability to access some library services from computers outside the Library.

Outside Sites

The Library's Web site includes selected links to outside sites. Those sites may have different privacy statements and the Library's notice does not apply. The Library is not responsible for protecting personal information gathered by outside Web sites. (Also, see Public Use of the Internet).
